Corrigendum

1. Paragraph 34

For the existing text *substitute*

34. During the reporting cycle, further progress was achieved in the area of proactive document management. In 2011, the overall timely submission rate on document count was 88 per cent at United Nations Headquarters (896 out of 1,020), 74 per cent at the United Office at Geneva (1,398 out of 1,892), 60 per cent at the United Nations Office at Vienna (68 out of 114) and zero per cent at the United Nations Office at Nairobi (0 out of 49).

2. Paragraph 60

60. For the existing text *substitute*

Special attention is also given to language combinations for which the Department is experiencing difficulties in filling current vacancies, as well as to the fast-evolving field of translation technology (see supplementary information, sect. VI, table 5).
